Bachelor of Arts in Graphic Design

SEPTEMBER 2006 - MAY 2011

Employment

UX/UI Designer/Developer *with* **Gain Capital**, Bedminster, NJ.

Work within the customer experience team as an in-house UX designer and UI developer for Gain Capital. Designed and developed interfaces and on-boarding experiences utilizing principals of user-centered design across multiple products and services.

2016-PRESENT

Designer *with* **Fifth Room Creative**, Denville, NJ.

Worked as the lead designer for Fifth Room Creative. Designed various materials for both print and web mediums across many different industries, and for clients such as Withum, the USGA, Panasonic, Picatinny Federal Credit Union, and Avis Rent a Car.

2013 - 2015

Designer/Assistant IT Administrator *with* **Andover Orthopaedics Surgery Group**, Andover, NJ.

Created and implemented branding across multiple offices. Designed and developed Andover Orthopaedic's website and digital signage. Assisted IT manager on various system implementations and integrations.

2003 - 2013

Designer/IT Consultant *with* **Milford Smile Design**, Dr. Donna Coppola, Milford, PA.

Developed various design materials for print and web marketing campaigns. Consulted with doctor on various hardware solutions for dental practice.

2003 - 2013

Designer/Image Prep/File Manager *with* **Susquehanna Communications Office**, Selinsgrove, PA.

Indexed, prepped, and digitally edited photos for Susquehanna University's website. Designed advertisements and web graphics for university events and programs.

2009 - 2011

Design Intern *with* **Kirshenbaum Bond Senecal + Partners**, New York, NY.

Worked as a design intern for KBS+P's creative team in New York, NY. Created designs and mock-ups for professional clients such as BMW, Bioré Skin Products, and Capital One Bank. Produced various in-house design projects.
